# Co-Flex®

- Economical, self-adhering bandage
- Won't constrict - no repeat visits to remove constricting bandages
- Comfortable and lightweight - provides excellent porosity in a lightweight, comfortable bandage
- Provides protection, superior adhesion, yet is easy to remove
- Convenient to use - can be applied quickly in a continuous motion
- A BETTER product at a BETTER price than the competition
- Flow wrap "pops" open easily. Packaging doesn't shred & litter farm
- Works well even in cold weather
- Easy to find marking at beginning of roll
- Sweat & water resistant
- Available in neon colors to help identify infected cows
